

# Mild & Bitter

Keeping Derby CAMRA drinkers informed since 1975

## Prepare for a Cracker!

The imminent 35<sup>th</sup> Derby City Charter Beer Festival at the **Assembly Rooms** looks to have all of the ingredients for success. Upwards of 200 ales will feature along with cider, continental and mead beverages, and the **cheese-man** will be making a welcome return after a decade's absence. The five day extravaganza between **11<sup>th</sup> and 15<sup>th</sup> July** is one of a dwindling number of CAMRA beer festivals that admits members for free at all sessions upon production of their membership cards. Headlining on Saturday night are the Small Fakers, a tribute band to that great, truly iconic 60s outfit, the Small Faces. For a few glorious years towards the end of that decade, Steve Marriot and Ronnie Lane wrote material that was comparable to Lennon/McCartney (Beatles) and Jagger/Richard (Stones). Sadly, Steve and Ronnie are no longer with us but their stunning music lives on as the Small Fakers demonstrate superbly. In all, the Mod band, replete with Gingham shirts, had a dozen top forty hits, and this will surely be one of the most memorable Saturday nights in many a long year. Marston's and Everard's are seeking volunteers to stand outside the Assembly Rooms in specially designed costumes on **Saturday, 7<sup>th</sup> July**. So if you have some time to spare, we'd be grateful if you'd contact Carla Johnson [carlaj291@hotmail.com](mailto:carlaj291@hotmail.com)

## Copy Deadline Date

The copy deadline date for the next edition of Mild and Bitter is **Wednesday, 25<sup>th</sup> July**. Word document format please to [maria.curl@hotmail.co.uk](mailto:maria.curl@hotmail.co.uk)

## Please Sign the Beer Tax e-Petition

Every year beer tax increases by 2% above inflation meaning your pint in the pub costs you 5-10p more. This is contributing to the closure of 16 pubs every single week. CAMRA is calling on all pub goers to sign an online e-petition today [www.camra.org.uk/saveyourpint](http://www.camra.org.uk/saveyourpint). We need 100,000 signatures to trigger a high profile Parliamentary debate and pressure the Government ahead of Budget 2013. **Scrap the beer duty escalator!**

## Flying Childers Wins By a Short Head

The Flying Childers, Stanton in Peak, has won the Derbyshire CAMRA Pub of the Year competition. Named after a famous racehorse owned by the Duke of Devonshire, this enchanting old inn really is a community pub in the true sense of the word. Derby's Five Lamps came fourth in the final 8.

## Nunsfield Triumphs Again

The Nunsfield Club, Boulton Lane, Alvaston, has for the second year running, won the CAMRA Derbyshire Club of the Year competition. The Strutt Club, Campbell Street, Belper was runner up, and congratulations go to all concerned.

## 38<sup>th</sup> Anniversary of Derby CAMRA Celebration

3<sup>rd</sup> July 1974 was the day on which Derby CAMRA was formed at the Alexandra, Siddals Road, and current licensees Ralf Edge and Anna Dyson invite you to join them on the 38<sup>th</sup> anniversary for a 70s themed evening. Fancy dress is welcomed.

## Regional Director Required

Have you ever fancied taking on the role of Regional Director? If you have then this could be the opportunity you've been waiting for. For further information please get in touch with Julian Tubbs [rd.eastmidlands@camra.org.uk](mailto:rd.eastmidlands@camra.org.uk) Closing date for applications is September 9<sup>th</sup>.

## Beer Festivals

**Horse and Groom**, Elm Street, 28<sup>th</sup>-30<sup>th</sup> June.

**Rowing Club**, Strutt's Park, Derby, 29<sup>th</sup> and 30<sup>th</sup> June.

**City Charter**, Assembly Rooms, 11<sup>th</sup> – 15<sup>th</sup> July.

**Olde Dolphin**, Queen Street, 18<sup>th</sup>-21<sup>st</sup> July.

**Silk Mill**, Full Street, 18<sup>th</sup>-21<sup>st</sup> July.

## Furnace Firing Again

The intensifying competition in the real ale market was highlighted when one of Derby's best loved pubs, the Furnace Inn, on Duke Street, reopened at the end of May. For many years the pub was served with distinction by first, Ray Watson, and then John Barnes. Following the sale by Hardy and Hanson to Greene King, a fallow period ensued but now former Egg worker, Pedro Menon, is looking to restore its fortunes. On my visit the décor was a little spartan for my taste, but the Sadler's beer from Stourbridge was excellent. Up to eight real ales are served, so if you haven't already done so, why not check it out. A micro-brewery is planned for later this year and 20p a pint discount is available to card carrying CAMRA members. The twin towers of St Marys and the Cathedral can be viewed from the riverside garden.

## Entertainment at City Charter Festival

Terry Morton, entertainments manager, has, as per usual, arranged an impressive line-up of musical acts. One to look out for is Tytania the band headlining on Friday night. Tytania are heading for the capital immediately afterwards to appear at the O2 arena. They have won through the rounds of hundreds of hopeful bands to appear in the final of the 2012 Live & Unsigned competition at the O2 arena London on Saturday 14<sup>th</sup> July. For those wanting a breath of fresh air in the rock music field - this could be it!! [www.tytania.co.uk](http://www.tytania.co.uk) And with the Small Fakers headlining on Saturday night, this should be a great weekend's bash.

## Beer Scoring

One of Derby branch's campaigning goals is to garner a greater number of score surveys for our rural, out of the way pubs. To this end please go to [www.beerscoring.org.uk](http://www.beerscoring.org.uk) where you'll easily be able to register your score. It's important to be aware of the beer quality of all of our pubs for Good Beer Guide selection. Thank you.

# VALLEY VIEW

## News from the Amber Valley Sub-Branch

### Amber Ales Amberfest

Pete Hounsell, one of the area's more innovative brewers, is holding a beer

festival on site at the Amber Ales brewery on Friday, 29<sup>th</sup> (3-11) and Saturday, 30<sup>th</sup> June (12-11). Asher Lane Business Park, Ripley, DE5 3SW, is the place to be for those with a penchant for the unusual. Please visit [www.amberales.co.uk](http://www.amberales.co.uk) for more information.

## Mild Month 2012

A total of 33 different milds, served in 13 pubs, from Alfreton to Milford – that was Mild Month 2012 in Amber Valley, the first time the Branch have ever held the event. We combined with Derby, who had a further 11 pubs, and held Mild Crawls every weekend in May, with a dozen or so people taking part in the final one, which encompassed all 13 pubs in Amber Valley, and even managed to include an extra pub (we were in the area), which also had a mild on. The hotly-contested competition for the best Mild pub was finally won by the Beehive, with the Black Bulls Head, which served the most popular mild, Holdens Black Country, and the Pear Tree, 2<sup>nd</sup> and 3<sup>rd</sup> respectively, but every pub on the Trail helped to make 2012 a Real Mild month in Amber Valley, hopefully the first of many.

**Mild and Bitter wishes to thank Dean Smith (Derby) and Trevor Spencer (Amber Valley) for their efforts in organizing the excellent May Mild Trails. Thanks are also due to participating pubs. It is hoped that a similar promotion is repeated in May 2013.**

## Waggon and Horses, Alfreton

Former Mansfield CAMRA stalwart, Andy Brett, tells Mild and Bitter that the King Street pub has some very interesting guest beers appearing. Lincoln Green brewery featured recently and went down a storm. At only £1.99 they really are a steal.

## Richard Lomas

It's with great sadness that I have to report the death of Richard Lomas, 70, at the end of May. Richard was a long serving CAMRA member who was well known in Derby and Amber Valley CAMRA circles. It was entirely appropriate that Richard's coffin was transferred, via a vintage bus that he had helped to restore, to the final whistle of a steam locomotive at Butterley Station, which is now home to the Amber Valley CAMRA beer festival. Our condolences go to Richard's widow, Kath.

## Ripley Rail Ale Festival

The Black Bulls Head at Openwoodgate, will be the main sponsor of the 3<sup>rd</sup> festival at Butterley Station, Ripley, between 27<sup>th</sup> and 30<sup>th</sup> September. Over 100 beers, ciders, perries and fruit wines will feature, and steam trains will run on Saturday and Sunday. CAMRA members receive admission concessions at all sessions, and

advance tickets for Friday and Saturday evenings are available from: Butterley Station, Talbot Taphouse, Hunter Arms, Victoria, Alfreton, and main sponsors, the Black Bulls Head, Openwoodgate. Online ticket purchases may be made with credit/debit cards [www.midlandrailwaycentre.co.uk](http://www.midlandrailwaycentre.co.uk) Alternatively, telephone 01773 570140.

## Minutes of the Amber Valley CAMRA Meeting, May 31<sup>st</sup> 2012, at the Pear Tree, Ripley

The meeting commenced at 8:40 pm with 11 member in attendance, apologies having been received from David & Nora Harper, Anne Kennedy, Mark Little, Paul Gibson and Nigel Heathcote. **Minutes:** The minutes stated that the Ashbourne sub-branch would include Wirksworth, which is unlikely to be the case. **Officers Reports:** Jane presented the Social Secretary report, commenting that on the last survey trip 19 different beers had been on offer at the 6 pubs visited. She also confirmed that the next Amber Ramble will be on June 30<sup>th</sup>, and will be led by Anne Kennedy. She also expressed a hope that there would be a good turnout for the walking survey of Belper on June 4<sup>th</sup>. **Nathan** had little to report, but thanked everyone involved in the Mild Trail, which has been a great success, in particular commending Trevor for his efforts. He also encouraged members to help out at the forthcoming Derby Beer Festival. **Phil** said that it had been a relatively quiet month on membership, with 10 new members, 2 lapsed, 3 transferred in and none out, making a total of 43 new members since the AGM. The website continues to be a work in progress. **Trevor** had little to report, but informed those present that he would be ordering Good Beer Guides in July. **Future Meeting Dates:** Trevor confirmed that the June 28<sup>th</sup> meeting will be at the Cross Keys, Belper and the July 26<sup>th</sup> one at the Beehive, Ripley, both with an 8:30 start. Jane suggested the New Inn or Moulders Arms at Riddings for the August meeting, and Trevor will contact them. **Beer Festival 2012:** The Festival organisation is ongoing, with bands booked and progress made on the beer list. The only slight problem is regarding catering, which MRA wish to have complete control over. Jane suggested handing out Festival posters, and the date of July 9<sup>th</sup>, which corresponds with the Party on the Hill music festival at the George, was agreed on. **Mild Month 2012:** Trevor will compile a full MM report for the next meeting, but wished to get the members thoughts on awards to the best pubs taking part, and it was agreed to award certificates to the top 3 mild pubs, and also the pub serving the best mild, as several pubs had put numerous mild's on during May. Also, Trevor will send a letter, the design of which was agreed on,

to every pub taking part. **AOB:** The Red Arrow is running between Alfreton and Bakewell between 9am and 5 pm during June, details are on the Trent Barton website (AC). Transpeak are no longer run by Trent Barton, so zigzag tickets will be invalid on the service. We have received a suggestion for a joint social with the Ashbourne sub-branch in Wirksworth in July. The members felt that more research is needed before this goes ahead, although we are keen to see it take place, so Alison will contact Paul to discuss later dates with him. As for transport, Jane suggested asking Barratts for a price quote. Wirksworth seems more likely at the present time to become part of the Matlock sub branch (SM) Phil is organising a crawl around Sheffield on August 11<sup>th</sup> to celebrate Jane's birthday, transport will be via train from Alfreton, with Wayfarer tickets being the likely cheapest option. Jane asked for suggestions as to how we may encourage more members to go on survey trips, but several members expressed the view that while we can stress the importance of the trips, the members will decide whether to participate or not. Stewart Marshall informed members of What Pub, a national pub database which will go live on the net once a certain percentage of coverage has been achieved. CAMRA hope that it will be the number 1 pub database on the net, and each Branch needs to update its own database and upload the information to What Pub. Stewart offered to help AV accomplish the task, which is generally speaking a job for the Pubs Officer, a position currently not filled in the branch. Bob commented that the Council may have a list of licensed premises, including those that have been closed and Alison pointed out that during Cask Ale Week 3 years ago AV had managed to survey every pub. Jane said many pubs on the database are no longer open, some have become houses while others have been demolished, so weeding those out would lighten the load, and Phil commented that we can perhaps set a target number of pubs for each month until all of them have been surveyed. **The meeting closed at 9:55pm**, after which those present enjoyed a buffet kindly provided by the pub.
